

Registered Massage Therapy (RMT) & Clinical Care Guide

Serving Langford, Colwood, Westhills, Belmont Market & the West Shore, BC

Evidence-Based Musculoskeletal Recovery & Soft-Tissue Care

Registered Massage Therapy in British Columbia is a regulated primary healthcare discipline focusing on the assessment, rehabilitation, and prevention of musculoskeletal pain and soft-tissue dysfunction. Whether addressing acute postural strain, persistent lumbar tension, or athletic recovery, individualized manual therapy restores range of motion and decompresses restricted myofascial layers.

Clinical Treatment Protocols & Focus Areas

- **Lower Back Pain & Lumbar Strain:** Focused myofascial release targeting the quadratus lumborum (QL), gluteal complex, and erector spinae to reduce lumbar compression and restore pelvic mechanics.
- **Tension Headaches & Cervical Strain:** Deactivation of suboccipital and upper trapezius trigger points to alleviate cervicogenic headaches and desk-posture neck stiffness.
- **Deep Tissue & Sports Recovery:** Therapeutic deep myofascial work designed to break up soft-tissue adhesions, enhance circulation, and accelerate recovery.
- **TMJ & Jaw Pain:** Targeted intraoral and extraoral release of masseter and temporalis tension to relieve jaw clenching and temporomandibular strain.
- **Plantar Fasciitis:** Deep calf and plantar fascial decompression to restore arch mechanics and alleviate heel pain.

Direct Billing & Extended Health Benefits

Direct billing is available for most major Canadian extended healthcare providers, including Pacific Blue Cross, Sun Life, Canada Life, Manulife, Desjardins, and Chamber of Commerce. Receipts are issued with complete CCHPBC registration details for rapid reimbursement.
